# Attention Stores, Distributors, and Kids of All Ages!!!

## [debut ad of Lumberjack Distribution]

Published in *Maximum Rockroll* [San Francisco], whole no. 137 (Oct. 1994), pg. 44.

## ATTENTION STORES, distributors, and kids of all ages !!!

Howdy. Ready? Short n' sweet... Eric and Rich here at Art Monk Construction Records are taking action. Fed up with seeing our label and other quality outfits of the same D.I.Y. ethic being shoved aside into corporate distributor lists as "just another H.C. label," we've decided to put out our own distributorship into full-effect. Modeling ourselves after Mordam Distribution, the goal of **LUMBERJACK DISTRIBUTION** is to exclusively sell the catalogs of other solid, hard-working independent labels into stores currently confused by the seemingly infinite number of indie labels out there. Through informative catalogs and direct communication with the buyers of hundreds of privately-owned record shops throughout the globe, we shall enthusiastically represent labels such as **Caulfield**, **Gern Blandsten**, **Gravity**, **Watermark** and, of course, **Art Monk Construction**. We are looking for other labels, fanzines, and indie buyers interested in our project and dedicated pursuit towards its establishment. Thanks.
